

EssilorLuxottica

Capital Market Day

14.09.2022

Francesco Milleri

Chairman and Chief Executive Officer

Growing with the market, not in the market

The biggest in the industry

Unique market structure, scale disparity has increased further

The only full range player

Present in all products, trade channels, price segments

The only global player

Directly present in more than 150 countries

Partnering with all

We are supplier and customer to almost all players within an interconnected market

A world map with a network overlay of red and blue lines connecting various geographical locations. The text "Open model for a network company" is centered over the map.

Open model for
a network company

physical and digital
worlds together

How to enable this journey

Human Interfaces R-EVOLUTION

Eye tracking

Super audio

Lens display/
Lamination

Eyes on Circularity

Eco-Design

Injected frames and lenses made with bio-nylon
Castor Oil

Bio-acetate frames
Cotton or wood pulp
Renewable source used for cellulose acetate

Grains, beet or sugar cane
Renewable sources used for bio-based plasticizer

Semi finish lenses designed saving 50% of raw material

Sustainable certifications

Nylon recycling area developed in Italy with 100+ kg recycling/day

(ISCC+Certified)

Partnership

Acetate recycling CRT with Mazzucchelli

Fossil carbon substituted by recycled plastics

Nylon recycling from fishing nets with Bureo on Costa del Mar

Vertical integration

Focus on packaging and POP

Avoid single use **plastic**

Reduce materials and components

Use **recycled & recyclable materials** (fibers, paper...)

Patient
journey

How EssilorLuxottica leads the market in EMEA

A black and white photograph of a Ray-Ban store interior. On the left, a large, stylized graphic of a pair of glasses is visible. In the center, a sign reads "RAY-BAN AUTHENTIC". Below the sign, there are several display cases containing various styles of Ray-Ban sunglasses. The store has a modern, clean aesthetic with track lighting on the ceiling.

Act as
one company

A black and white map of Europe, where the landmasses are filled with a dense pattern of small, bright white dots, representing a geographical footprint or data points across the continent.

Leverage our
geographical
footprint

A black and white photograph showing a customer in profile, using a smartphone to view a virtual image of a pair of Ray-Ban Original Wayfarer sunglasses. The phone screen displays the sunglasses on the customer's face. In the background, a tablet shows a product page for the same sunglasses, with the price listed as €213.00 and a button that says "ACQUISTA ORA".

Accelerate
category growth
& innovation
deployment

A black and white photograph of a smiling woman wearing glasses, standing in an eyeglass store. She is holding a tablet computer that displays a software interface with various charts and data points. In the background, shelves are filled with various styles of eyeglasses.

Level up
our customer
partnerships
& services

A pair of black Ray-Ban glasses with clear lenses is positioned on a textured, deep red surface. The glasses are slightly angled, with the left lens more prominent. The background has a fine, grid-like texture. The text "Vision care champion" is overlaid in a light yellow, sans-serif font across the center of the image. The Ray-Ban logo is visible on the upper part of the left lens.

Vision care champion
